WHAT TO BRING? Something to sit in or on (ie. car, chair, blanket) a radio/stereo, some snacks, some drinks, family and friends.

WHAT IS IT? The Renegade Picture Show is best described as an impromptu drive-up drive-in. That means you drive (or ride or walk) up to the pre-disclosed location, tune in your radio to a certain station and watch a movie on the side of a building, wall, or other structure, while listening to the audio through your radio.
